"Rock got no reason, rock got no thyme... You better get me to school on time! Andrew Lloyd Webber's School of Rock - The Musical is a two-hour, two-act show based on the hit movie. The tuner follows Dewey Finn, a failed, wannabe rock star who decides to earn an extra bit of cash by posing as a substitute teacher at a prestigious prep school. There he turns a class of straight-A pupils into a guitar-shredding, bass-slapping, mind-blowing rock band. But can he get them to the Battle of the Bands without their parents and the school's headmistress finding out?"
