

“A RECIPE FOR LIFE”
October 15, 2017 Proverbs 3:5-18
Life Group Study Guide

Notes from Worship Service

1. Proverbs 3 gives his hearers a recipe for life; a way to live and be blessed.
2. **T – Trust in the Lord.** Trust in God is the hinge that all the other principles of our faith swing on and hold together. All the nice doctrines and statements of faith mean nothing until we place our hope, security and confidence in God.
3. **H – Honor the Lord.** Honoring God with our offering is an action of trust. If we don't really trust God, then surely we are not going to trust God with our stuff.
4. **I – In difficult Times.** The writer is trying to get this idea out of our heads that discipline is about punishment, when really, it is about development.
5. **S – Seek true Riches.** The writer believes wisdom is the greatest wealth. Education, knowledge and understanding are of great value because they result in a life of peace and joy.
