

Kids at Christmas

This year we will be adopting children from Buhler Dual Language School in Cleveland. The children from Buhler are all pre-school and kindergarten students. By request of the Principal, each student should receive an age appropriate educational game(s) and, a stuffed animal or doll for a girl and a car or truck for a boy. The value spent on these gifts would be @ \$25.00 for each student. The adoption form must be returned to the church office no later than Friday, November 17th. The names of the children will be mailed to you on Monday November 20th. The gifts will be dedicated on Sunday, December 17th. The forms will be available in the church office.
